## Institutes sign key pact

THE Bahrain Centre for Studies and Research (BCSR) and the Crans Montana Graduate Institute of International Studies of Monte-Carlo (IUHEI) have signed a memorandum of understanding to strengthen co-operation. It was signed by BCSR secretary general Dr Abdulla Al Sadiq and Crans Montana Forum chairman and founder Professor Jean-Paul Carteron. Under the terms, the two institutes agreed to support the exchange of information and publications, to consult on the organisation of seminars and workshops, and to arrange for the exchange of workshop and seminar speakers, experts and researchers.
